

# G80 BINDER CHAIN ASSEMBLY - DOMESTIC (NACM)

---

When it comes to hauling, rigging, or securing, this Grade 80 Domestic Binder Chain Assembly will exceed your expectations. It consists of black finished alloy chain and high quality Forged Clevis Grab Hooks. The hooks are easily attached and detached by the clevis pin. When it comes to hauling, rigging, or securing, this binder chain assembly will meet your or exceed your expectations. Not only that - it meets DOT/CVSA/CCMTA requirements. NOT for overhead lifting.

Available in 16 or 20 foot lengths.
