

SMARTBAR™ FOOT - LARGE

This SmartBar™ foot is no ordinary foot... with its superior gripping power it can secure just about any trailer load. To be used at the ends of your SmartBar™, this large end SmartBar™ rubber foot will provide enough grip strength on the sides of your trailer to prevent the load from tipping over or moving around while being transported. These large rubber feet are easily replaceable and also come in a smaller size.

- Stock #: CC5019
