Introduction

■ Target products

■ Product code

The parts lists show the related parts for the MR2 Series Motorized Trolley. The types of the target products are as shown below. For the parts of the hoist, refer to ER2 Series Electric Chain Hoist Parts List.

Capacity	CODE		
	Single speed model		Dual speed model
	Standard speed	Low speed	Standard speed
125kg	MR2-010S	MR2-010L	MR2-010IS/SD
250kg			
500kg			
1t	MR2-020S	MR2-020L	MR2-020IS/SD
1.5t			
2t			
2.5t	MR2-030S	MR2-030L	MR2-030IS/SD
3t			
5t			
	MR2-050S	MR2-050L	MR2-050IS/SD

■ Product category and voltage

The product has two categories for power supply voltages.

Product category	Motor Insulation Class	Voltage range		Operating Voltage
		50Hz	60Hz	
500V Class	B	500V	575V	110V (110V to 120V)
220/440V Class			208-230V	
(230/460V Class)			415-460V	

■ Interpretation of parts lists

- (1) Match the number in the 3D diagram with "In Diagram" in the parts list to obtain the part name.
 - (2) Cells with an x-mark at intersection of Part name and product code in the parts table are not used.
 - (3) Blank cells at the intersection of Part name and product code in the parts table vary the part number depending on the power supply voltage.
 - (4) For the cells with an arrow mark, the product code listed in the left cell should be applied.
- If you need a part for the blank cell, let us know the product code shown in the preceding item, power supply voltage and part number.

■ Push button cord complete set

When ordering a push button cord complete set, let us know the cord length referring to the following table.

Capacity	Push button cord length
125kg - 2.5t	same as Lift(m)
3t - 5t	Lift(m)-0.3m

■ How to order

- (1) When ordering, let us know the product code, voltage, Part name, Part number and quantity.
- (2) For part price and delivery date, contact our distributor or KITO.
