SPARK RESISTANT AIR HOIST

No sparks, no worries.

You can rest easy knowing that the TCE-IIB spark resistant air hoist is built with components that will reduce or eliminate risk of spark produced by impact or friction in heavy-duty industrial applications. ATEX rated and Kito made - a perfect match.

- 1 Spark Resistant Load Chain**
The TCE IIB air hoist uses nickel plated chain for both spark and corrosion resistance.
- 2 Low Noise Levels**
Built for quiet operation for operator comfort, and therefore maximum productivity.
- 3 ATEX Certified Spark Resistant**
Rated II 2G Ex h IIB T4 Gb for gas and II 2D Ex h IIB 130C Db for dust and in compliance with the ATEX Directive 2014/34/EU.
- 4 Unlimited Duty Cycle**
The TCE is built for long and demanding work shifts with its unlimited duty cycle. The operator can continually operate the hoist without worrying about damage from too many starts per hour, allowing you to get the work done on your schedule.
- 5 Bronze Coated Top and Bottom Hooks**
Spark resistant bronze coating.
- 6 Extremely Fast Lifting**
The 1/4 tonne model boasts an amazing 207 ft./min in the up direction with no load. Quickly reposition the hook in between loads to maximize your productivity.
